Subject: Introduction of Dogri in newly upgraded Higher Secondary Schools

Sir,

It is understood that many High schools of Jammu region have been upgraded to higher secondary level.

As Jammu region is predominantly Dogri speaking area, we urge you to introduce Dogri subject in 11 & 12 classes of such schools. Steps to recruit teachers and to offer Dogri as a subject in 11 & 12 classes may please be initiated as soon as the upgradation is affected.

Thanking you,

Yours sincerely,
